

## **Avatar Airlines "Focus" Program & "Fly Free Club" Disclaimer**

"Avatar's Free Fare "FOCUS" program requires participation in a survey or focus group to earn free travel. Not all volunteers will be selected for participation. Selection is based solely on demographic criteria supplied to Avatar by participating marketing groups. Avatar's "Fly Free Club" requires a one time \$49 registration fee and \$249.00 per year annual fee. Free flights are entirely dependent upon availability of unsold seats and are offered to members on a first come first serve ("stand-by") basis.
